OUTREACH

F.O.O.D. Committee (Feeding Others of Dartmouth): During the period of lent which starts Wednesday, **February 26th and ends Saturday, April 11th**, the F.O.O.D. Committee will be doing a special collection for Margaret's House of hygiene products. Upon consultation with Margaret's House the most needed hygiene products are men's razors, shaving cream, deodorant, combs, and nail clippers. Other item such as shampoo, tooth brushes, tooth paste, dental floss, soap, etc. are also helpful. The items will be collected in the Narthex in the boxed marked "Hygiene Products for Margaret's House". 85% of Margaret's House clients are men and 15% are women. These items will be delivered to Margaret's House in March and April along with our regular monthly donations of food items and homemade desserts which are delivered the last Friday of each month. This church outreach is supported by donations from our parishioners. If you would like to make a monetary donation you can put it in a church envelope and mark it for the F.O.O.D. Committee. Also include your envelope number or name on the envelope as the donation will be included on your income tax receipt. Place the envelope with your regular monthly donations in the basket during offertory. If you would like information on how you can be involved with the F.O.O.D. Committee you can contact Anna Henderson at 902-435-1530 or Joan Meade at 902-434-3220.

Shrove Tuesday: Guild of Saint Joseph

Our Shrove Tuesday pancake/sausage supper was very successful again this year. Many people were involved, from re-arranging the interior of our church, preparing and serving the meal, cleanup after the event and placing the furniture in proper location for our two Ash Wednesday services. We are now starting off Lenten Season, really all of God's people working together. We usually have a "Free Will Offering Donation" to assist with the cost of the meal. This year, we over-donated. To purchase the supplies, the cost was \$250.00. We "Free Will Donated" \$1208.25.

\$958.25 will be given to our church treasurer on Sunday.

Everyone worked together in harmony to prepare and serve 200 meals. God appreciates all that we do for our church community.

Recycling: Here's what we are accepting - plastic caps 2" and smaller, all types of pens and markers with caps, print cartridges and small batteries. Please tape ends of 9 volts. NO BREAD TAGS please! And no caps with metal inserts in the center as they are not accepted and it means we have to sort them out.
